

# Dating the Works of Epicurus

**Post by “Eikadistes” of October 28, 2024 at 3:43 PM**

One other discovery (I think) I've made is this:

By the Archonship of Sosistratus, beginning July of 270 BCE, Epicurus was already dead.

When he celebrated his 71st birthday in February of 270 BCE, he was still alive.

Most likely, Epicurus died in the Spring of that year.
