

New Article Attacking Epicurean Physics: "Science Versus the Oldest Anti-Intelligent Design Argument "

Post by "Cassius" of November 3, 2024 at 6:13 PM

Thanks to Kalosyni for this link. I don't agree with a premise of this article (that the universe as a whole will come to an end) so in the end it doesn't deal with true infinity. But still it's new and on point with the discussion so throwing it into the hopper

['Infinite monkey theorem' challenged by Australian mathematicians](#)

Australian researchers have poked holes in an old thought-experiment known as the "infinite monkey theorem".
