

PD02 - Best Translation To Feature At EpicureanFriends?

Post by “Kalosyni” of November 14, 2024 at 1:06 PM

Here is an interesting article, and there may be others with more science details:

Image not found or type unknown

[After death, you're aware that you've died, say scientists](#)

In recent decades, scientists have been studying near-death experiences (NDEs) to try to gain insights into how death overcomes the brain.
