

Evidence of Survivors of Pompeii and Herculaneum

Post by “kochiekoch” of November 20, 2024 at 5:05 PM

Something you don't think of. There were people that got out of Pompeii and Herculaneum. The abundance of corpses gives you the impression that everybody was killed, but there is evidence that many, if not most got out fast when the eruption started.

Enjoy! 😊

[Records of Pompeii's survivors have been found – and archaeologists are starting to understand how they rebuilt their lives](#)
