

Give Us an Example of God!

Post by “Eikadistes” of December 28, 2024 at 11:03 PM

I came across this quotation in the [de Lacey translation](#):

According to Philodemus, *“even though god was not born, yet he is composed of soul and body and with this nature he is necessarily a living creature.”* (On Methods of Inference)

What do you make of this proposition?
