

Vegetarianism

Post by "Cassius" of January 7, 2025 at 3:38 PM

Yes Godfrey your experience is more what I would expect. Maybe there's more going on with Joshua's experience that played a role beyond vegetarianism. Maybe he had enough time to think "Yay I'm now free, and I'm about to travel around the country in a truck" before he had his test and that improved his results! 😊
