ϠϠϠΓΗΗΗΗ

XXX = 3,000

HHH	HHHH	𐀀	𐀁	𐀂	𐀃	𐀄
300	400	500	600	700	800	900

But from that, it looks like it should be 3,900.

Although I don't know how they even got any number...
