

Plato's Timaeus vs. On Nature, Book 14

Post by “Bryan” of January 28, 2025 at 10:17 AM

[Quote from Cassius](#)

Anyone want to suggest an edition that is both readable and has line numbers?

This is readable and has line numbers. The pages are a little thin, but they do hold up to writing and highlighting: [Link](#)

The section you underlined is 27d/28a.
