Egads. Just finished sweaty yard work. I won't be able to attend. All the best to everyone!!

Thank you to everyone who attended. It was a good meeting, and what struck me was how each of us comes from a unique background - having encountered varying ideas in our past (and having read various books) and yet we have all arrived at Epicurean philosophy - and so the gathering of a group brings together a wealth of knowledge, insights, and vantage points with which to approach the understanding of Epicurean philosophy.
