Most definitely! There are a ton of similarities, coherences, and explicit inspirations. As *The Dude* writes, "*Dudeism is inspired by a lot of ancient philosophy. Probably the two most influential have been Epicureanism and Taoism. We've gone into [great depths](#) discussing Dudeism's relationship to Taoism, but not so much in regards to Epicureanism.*" I collaborated with The Dude to compose a "Dudeist" version of the Letter to Menoecus: <https://dudeism.com/the-dudes-letter-to-menoecus/>
