[Quote from Patrikios](#)

I found that studying the Key Doctrines in short groups of 3 or 4 related doctrines was more beneficial to focus on a key topic.

[Don](#) do we or you have a page or listing somewhere that breaks the PDs down not by number but by related paragraph and/or topic? I know we've discussed this many times but i am not sure I have seen a polished and formatted version. I am sure that there are many possible divisions but we might as well be helpful to people and suggest one or two.
