

Epicurus And The Dylan Thomas Poem - "Do Not Go Gentle Into That Good Night"

Post by "Kalosyni" of July 8, 2025 at 8:20 PM

[Quote from kochiekoch](#)

He had pneumonia, a fatty liver due to heavy alcohol use and alleged poor care at the hospital where he was at. All at aged 39

According to Diogenes Laertius Book 10, the Epicurean wise man sayings: "Only the Wise man could discourse rightly on music and poetry, but in practice he would not compose poems."
