This is excellent -- great idea to have each one link to the specific *papyri.info* page!

P.Herc. 908 may actually be by Demetrius Lacon. The content is interesting -- the topic is on sex, and it is very medical/gynecological (rather than moral/ethical).

Thanks! Let me know if you see anything in need of revision. The site does host some information that seems to conflict, especially between Latin and Greek translations (where they are).
