

Article On Issues As to The Existence of Life: Yates - "Fantasizing About The Origin Of Life"

Post by "Don" of September 9, 2025 at 4:33 AM

I just skimmed the original article, including reading the authors "credentials" and sour grapes ranting at the end, and my primary reaction is "those are several minutes of my life I'll never get back."

[Quote from Joshua](#)

By this logic we should disregard all laboratory experiments.

[Quote from Cassius](#)

We have all the evidence we need to conclude firmly that life is a product of natural processes and did not originate from a supernatural intelligence.

Both of those 👍

Substack provides *anybody* a platform. Anybody can "publish" a book now. My other primary result from that Yates article is to know to avoid anything by Yates now.
