

# Honesty among Friends

**Post by “Joshua” of July 10, 2019 at 1:54 PM**

Great post, Elayne! I've known my oldest and best friends since we were 3 or 4 years old in preschool together. If I lied about my emotional state to them, they would know I was lying straight off, and would call me out on it! I hope I would do as much for them.

Nearly 30 years later, I know that there will always be a place for me at their table; on their couch; around their campfire. A place I can always go back to, and it would feel just like going home.
