

16th Panhellenic Epicurus Seminar In Athens Greece - February 14, 2026

I tried making a connection with them, hoping for a live stream. No one's gotten back yet. I tried reaching Christos at ideoszen@gmail.com (I'm curious if anyone has a different e-mail for them).

I was hoping to find more information on the 16th Panhellenic Symposium on Epicurean Philosophy in February of 2026. Will the Symposium be livestreamed? If so, can you confirm on what platform the Symposium will be accessible?
By all and the same, etc.
