I tried making a connection with them, hoping for a live stream. No one's gotten back yet. I tried reaching Christos at ideoszen@gmail.com (I'm curious if anyone has a different e-mail for them).

I just heard back! Here's what they have to share:

Quote

Greetings from the Athenian Epicureans.

We are pleased to share the program for the **16th Symposium**.

Please note that the event will be held in **Greek**.

You can watch the live stream at <http://www.epicuros.gr/>.

In friendship
