

M. Dango's personal outline

Post by “Cassius” of April 11, 2026 at 6:31 AM

Thank you for highlighting that quote wbernsys - I missed it when I first read the post.

Since those two terms seem to be of interest i would appreciate [m.dango](#) explaining briefly what those terms mean and why they come up here so as to make the thread most useful for other readers.
