

Open Skype Conference Call Tomorrow

Several weeks ago the admins mentioned that we were hoping to put together a voice-only conference call on Skype that we could open to our online-regulars. We plan to do that tomorrow, Sunday, June 28th, at 10:30 AM Eastern Time on Skype. The purpose of this is just to say hello, and we'll probably go around the "table" and let everyone tell us how they became interested in Epicurus and whether they have any particular areas of focus which we can make sure we cover in the future. Please check back here tomorrow for a link to the Skype Group. We know that we have readers from all over the world so we can't accommodate everyone's timetable, but we're picking a time when we hope to have the most availability in the USA and Europe. We hope you can join us!
