### ***Epicurus Was Right: Geometry Is a Powerful Tool But Not the Final Truth About Physical Reality***

#### **Introduction: Two Inscriptions Over Two Doors**

Over the entrance to Plato's Academy in Athens, tradition records an inscription: "*Let no one ignorant of geometry enter here.*" The words were more than a subject requirement. They were a philosophical manifesto. The world as it truly is, Plato held, cannot be grasped by those who have trained only on the deliverances of sense experience. The student who can...
