

Is Education a "pastime" or a "way of life"?

Post by "Pacatus" of May 30, 2026 at 12:32 PM

Does *ἡ παιδεία* (for Epicurus) refer to education in general (beyond certain technical matters, like grammar or, per Philodemus, household economics) – or to the particular programmatic content of what passed for a "proper education" for Greeks of the time (e.g., Homer)?
