Forgiveness restores peace

Certainly true!

In fact, if Plutarch is correct, Epicureans were even known to say, "**Let even this have forgiveness**" more literally it means "Let even this have a mutual understanding" which is a certainly a helpful mantra to have in mind for working well with others.

"ἔχέτω δὲ συγγνώμην καὶ τοῦτο" - ὡς λέγουσι!

"Let even this have pardon" - as they say!

Plutarch, Against Colotes, 1118D
