

Welcome WilliamJ!

Post by “WilliamJ” of July 16, 2026 at 7:43 PM

I want to thank Cassius and the members of EpicureanFriends for the opportunity to access and participate in this website.

In brief, my interest is that of someone who decades ago spent several years immersed in ancient Greek philosophy. Recently I looked at a number of old books which I had not opened in many years. One thing led to another and I found my way to this website with its interesting discussions and links.
