Let's go ahead and schedule our next online book discussion session -- our next session will be on Chapter 12 - The new Hedonism. [Julie](#) has offered to prepare some discussion notes, and she needs time to do that, so let's schedule this for 11 AM eastern time on Sunday morning, September 1. If this is an unworkable time for you please let us know and we will try to coordinate the best time for as many people as possible.

All are welcome, but [Godfrey](#) and [Joshua](#) , you guys in particular deserve a personal invitation given your regular participation here. We should have five or six people at least so please plan to join us when you can. We're using Skype now so all you need is a working Skype connection on your computer or cell phone.
