

Observation About The Opening Of The Letter To Meneceus vs The Letters To Pythocles and Herodotus

Post by "Elli" of December 3, 2019 at 1:26 PM

Meneceus in greek "Μενοικεύς" derives from the verb (μένω) & the noun (οικεύς), and means the one who stays/lives at his family's house.

Meneceus, as it is said, was a pupil of Epicurus. For sending him a letter, maybe Meneceus lived in the city of Lampsacus, when Epicurus was teaching there. In Lampsacus there were many of the friends of Epicurus. 😊
