

"Dualism" and "Philology"

Post by "Hiram" of January 23, 2020 at 12:36 PM

[Quote from Mike Anyayahan](#)

Yes. But did Epicurus think of Philology whenever he mentioned philosophy? And if not, what do you think Epicurus would think of philosophy? Logos? Logic? Metaphysics? Or what?

Philologists were one of the categories of members of the Epicurean community mentioned in Philodemus' scroll on frank criticism, as attested by DeWitt in "Organization and procedures in Epicurean communities".
