

"Dualism" and "Philology"

Post by "Charles" of January 25, 2020 at 1:30 AM

[Quote from Elayne](#)

Material monist. Dualism requires "something" that is not material. Void is not a "something".

That's what I thought. Any sort of "properties" within Dualism usually invoke some abstract or mental property that is immaterial. I was caught up on the specifics and semantics of substance dualism.
