

The Neglect of Metrodorus' Economics

Post by "Mike Anyayahan" of February 16, 2020 at 4:18 PM

Hmmm...how do you guys interpret VS 25? It says "Poverty, if measured by the natural purpose of life, is great wealth; but wealth, IF NOT LIMITED, is great poverty."

Here, we believe it was Epicurus who said it. Did Metrodorus contradict Epicurus if wealth is preferable to poverty?
