

"Liberty" - As discussed by Socrates and Aristippus vs. Epicurus

Post by "Charles" of June 23, 2020 at 4:23 PM

[Quote from Cassius](#)

"Yes, but my plan for avoiding such treatment is this. I do not shut myself up in the four corners of a community, but am a stranger in every land."

I'm seeing a parallel between this and Epicurus' advice to Pythocles: "Live Unknown" and "Steer clear of all culture"
