

A General Thought About The Future Of Epicurean Philosophy - On The Meaning of "Pleasure"

Post by "brett" of April 6, 2018 at 6:10 PM

hi Cassius,

I couldn't agree more with your premise.

While I can really appreciate the strategy, needed in some circumstances, of limiting pleasures to further limit pains, I don't buy the angle that that's the whole story.

Great post.

Brett
