

News from Italy - you'll love it!

Post by "Cassius" of October 23, 2020 at 9:51 AM

Ok yes that was what I was thinking was probably the case. I guess this is sponsored by a university or some institution that is concerned about publication rights, so that's understandable. In addition to that kind of program, I hope over time we can develop programs that are truly "free" to everyone.
