

Online Sources for Study of Philodemus Materials

Post by “Cassius” of November 15, 2020 at 2:24 PM

Yes that's definitely a foundational link. It seems like within the last year I found a link to a German website that had facsimiles of the originals, so any site that attempts to organize them has to go in the list.

As people add to this list I will go back and update the first post in the thread.
