

Homepage Upgrade July 2023

Post by "Kalosyni" of July 15, 2023 at 10:12 AM

Cassius and I have been working on making some changes to our homepage - adding in some clickable boxes. As always, you can quickly go to the homepage by clicking on our logo on the top left or top center of every page. There are three new links -- for frequent users of the forum there is now a "Member updates page" and also a "Special Forum Resouces" page. Also check out our new "About Us" page which should be helpful for new visitors.

Let us know if you have any further ideas for improving the homepage.
