

# General Suggestion Thread for the FAQ

**Post by “Cassius” of December 30, 2023 at 2:04 PM**

With the upgrade to the website we've had to replace the older FAQ software, and as a result the FAQ needs lots of updating and improvement. The goal is to have a discussion thread for each FAQ item, and those are already linked in just about every FAQ question. Please use **this** thread for general comments, suggestions, and questions about the FAQ, especially as to ways to improve it.

I have a question to suggest for the FAQ section:

How much effort should I be putting into pursuing pleasure? ...Is there such a thing as not enough effort or too much effort when pursuing pleasure?

That is a good idea but I don't think we have addressed that specifically before, at least in those terms, so we probably out to create a separate thread in the ethics forum so we can discuss it before distilling a FAQ answer. Can you do that please? Or point to a thread where we've already discussed this?
