

Gallery of Artwork Dedicated to Venus In the Lucretian Manner

Post by "Cassius" of March 24, 2019 at 10:45 AM

It would be good to have a collection of great artwork which is dedicated to Venus in the Lucretian manner. I have started a link to such a gallery below where more can be added. For the time being these classics: Walter Crane's "Renaissance of Venus" (via Daniel Gulpide), Botticelli's "Birth of Venus", and David's "Mars Disarmed by Venus"
