

Scientism, Atheism, And The Admissibility Of Spiritual Experience

Post by “Don” of November 24, 2020 at 12:20 PM

I think the risk is to start to believe you actually are a god. That would certainly be using your imagination!

Just to be clear: I am NOT advocating Epicurean Deity Yoga! I am not going down that kind of syncretic rabbit hole! 😊 Just trying to contextualize that peak experience in an Epicurean framework.
