

# Long and Sedley, Hellenistic Philosophers, "Gods"

Post by "Cassius" of November 28, 2020 at 2:21 PM

i do have a tendency to be sarcastic and hyperbolic and without hearing my voice that can be a danger I have to watch.

But I will say in accord with the letter to Menoeceus that I would rather worship at the altar of a revealed religion any day of the week rather than give in to an across the board asceticism in the name of "freedom from pain" or in the name of "virtue."
