

# Lucian As An Epicurean

**Post by "Cassius" of December 16, 2020 at 7:44 AM**

There's a lot of debate as to whether Lucian was an actual Epicurean himself. I personally think he probably was in at least most respects, but I haven't put together a list of similarities or a list of quotes on the point. '

And I don't have time to do that in this post either, but I see this article crossed my email today which might help: [Lucian of Samosata on Religion and Reason: An Epicurean In Hiding](#).
