

Episode Forty-Nine - The End of Book Three

Post by "Cassius" of December 22, 2020 at 4:38 PM

Yes that is an interesting perspective. There are definitely many subtleties to this issue and I doubt we've really begun to appreciate them. The interplay of "more" vs "better" is hard to get a fix on, but I think its fairly intuitive that a larger (infinite?) Amount of low-grade pleasure can never really measure up to certain "higher grade" pleasures that we want even if of shorter duration.
