

Both Sides of the Garden's Walls

Post by “Matt” of December 23, 2020 at 7:45 PM

Thank you Cassius! Thank you for always welcoming me back to the Garden.

It has been a long road, my own experiments with what I've learned about Epicurus and his conclusions have shown me that they are indeed true.

I hope to be back full swing in the community and be contributor as I was years ago. 😊
