Yeah I don't want to continue beating this subject to death unless folks are very interested in reviving it. I personally have a fixation on it because it gave me such trouble early on and I feel it's helpful for me to sort of “talk it out.”

I haven't battled it out with Stoics in quite some time over the nature of the divine. So I'm rusty, but definitely if I spend a day looking at some Stoic forums I'll be sure have all sorts of material.
