

# **Discussion Plan For Chapter 06 "The New Education" (Norman DeWitt's "Epicurus And His Philosophy")**

**Post by "JAWS" of April 21, 2018 at 7:48 PM**

Sorry for my abrupt exit from the discussion today. My husband was getting impatient to walk the dogs and go to supper.

I also wanted to give a heads up for May. Certainly don't plan around me, but I will not be able to join you if we meet between the 16th and the 30th. We are going to Africa for two weeks and I will be without internet access most of the time.
