

Episode Fifty-One - The Workings of Images

Post by “Don” of January 5, 2021 at 10:45 PM

[Quote from JJElbert](#)

Hippocrates' understanding of internal medicine, and its supposed foundation in the fluctuations of the four 'humors', is so wrong that it can be difficult for us to appreciate how much progress he had made toward being right.

That is a very important statement right there. Well put, [Joshua](#) !
