

Welcome Bryan!

Post by “Cassius” of January 11, 2021 at 9:42 PM

[Bryan](#) thank you for posting the translation notes! I know that many people here are interested to know more about you. 😊

And I wonder if you have any readings of Lucretius that might be of interest here. We used to have access to some excellent readings of the Latin by a very good contributor, but we lost those when the older Facebook group was deleted.
