

Catherine Wilson's January 2021 article: "Why Epicureanism, Not Stoicism, Is The Philosophy We Need Now"

Post by "Elayne" of January 14, 2021 at 7:42 PM

Logic can never give you primary information about reality, [Cassius](#) . Logic is not _in_ the Canon but supplemental.

Epicurus knew there were 2 basic feelings, pleasure and pain, because he felt them. Not from logic!
