Thanks Don! If it turns out that we turn our attention broadly to [PD10](#), maybe we should also branch off and discuss that in more detail somewhere here: [Doctrine 10 - If the things that produce the pleasures of profligates...](#)

Just in case Ms. Wilson ever drops by herself, we should probably at least think about keeping this thread focused on the broader question of whether she is doing a good job of describing Epicurus' position on pleasure is the ultimate goal.
