

On Unhealthy Social Media Use / If Epicurus Were Alive Today, Would He Use A Smartphone?

Post by “Matt” of January 15, 2021 at 6:53 PM

No matter what, this acceptance of terribly spurious data and false claims are clearly contributing to the deterioration of critical thinking in the general population.

Now whole “mythologies” have been created based on random (untrue) information, simply because these claims are posted and reposted a hundred thousand times in “bubbled off” echo chambers where confirmation bias has blossomed into radical behavior...on a grand scale in society.
