

Welcome Bryan!

Post by “Bryan” of January 15, 2021 at 8:05 PM

Thank you, Elli, for your kind greeting! I have benefited greatly from your wise comments in the past, and I am happy to be here and to begin doing so again.

Cassius this is a very nice website! Brilliant content, easy to navigate, and it is wonderful to see the organization that you have achieved here so effectively on the message boards.
