

Catherine Wilson's January 2021 article: "Why Epicureanism, Not Stoicism, Is The Philosophy We Need Now"

Post by "Joshua" of January 16, 2021 at 9:31 AM

I moved to NW Florida a year ago and I'm still resisting the allure of "y'all". In lieu of bringing back "ye", which contrary to popular notions was historically plural, I'm still clinging to "you guys". But more generally I try to reframe my sentences so as to escape the problem altogether!
