

PD03 - General Commentary - Doctrine 3

Post by "Bryan" of January 16, 2021 at 11:38 AM

I very much agree. This gives the translation *just a little bit* of added interpretation, but is certainly more natural.

"This very thing is pleasure:

Escaping from pain-

because It is not possible for pleasure to be placed anywhere

when neither What is painful nor What is distressing is any longer making way for it."

-Metródoros
